

Accessibility

General areas

Summary

Willen Lake comprises of a mixture of open grass space, gravel paths, paved paths and lightly wooded areas. In general, there is good level access at Willen Lake, with surfaced paths around both lakes and leisure areas.

Entrance and access

All designated entrances to the park are flat and either paved or gravel paths. Any changes in path heights are ramped. Access is either via tarmacked surfaces from our car parks, our via the Milton Keynes redway network which provides wide and flat access across the city.

Toilets

There are a number of public toilets on site, each with an accessible toilet and baby changing facility. These are situated in the following locations:

- Watersports Centre (open all year round, times vary depending on season)
- Benugo Bar & Kitchen (open during operating hours for paying customers)
- Splash 'n' Play (open April to October only)

We also have a Changing Places facility located at the Watersports Centre.

Activities

Walking/cycling

There is a figure of eight loop available around the north and south lakes which is comprised of a fully hardstanding path for its entirety. On the north lake there are a number of steep ramps which may not be suitable for some visitors.

Bird hide

Access to the bird hide is only accessible via a woodchip path. This may not be suitable for some visitors.

Leisure activities

For further information for accessibility of our leisure activities, please refer to the accessibility document for each area.
