

Accessibility

Archery

Summary

Our Archery activity welcomes disabled visitors and visitors with additional needs but we require reasonable advanced notice. Because Archery can be physically demanding, it may not be suitable for all visitors. Each activity has strict safety requirements. Our staff will be happy to discuss individual requirements either by phone or on site prior to your visit.

Entrance and access

The archery activity takes place in our archery paddock which is located approximately 900m walk from our watersports centre and 400m walk from the nearest car park. The archery paddock itself is grass and may be uneven in places, and therefore is not wheelchair accessible. However, wheelchairs with off-road capabilities may offer access.

Toilets

The nearest accessible toilet is situated at Splash 'n' Play, which is approximately 700 metres away. The nearest Changing Places facility is located at the Watersports Centre, which is approximately 600 metres away.

Activities

Archery

Archery is suitable for some visitors with disabilities, however, significant use of arms and movement of the upper body required, along with the ability to follow instruction.
